Celebrity Speaker

Robert Todd “*Hand Evaluation*” 2:30 p.m.

High card points are not the only way to evaluate the worth of a bridge hand. Distribution, spot cards, supporting honors, and more can affect the quality of a hand. Certain holdings can improve – and others can get worse – as the bidding progresses. Robert will give you a good grounding on principles to help you make the best decisions regarding the value of your hand.

Robert Todd is a professional bridge player and teacher whose hometown is Tallahassee, Florida, but you will find him all over the country playing and teaching bridge. Robert began playing bridge at a very young age and came to duplicate while working on his graduate degree in Mathematics. He spent a year in Helsinki, Finland, where he met and played with many fine European players. Robert has finished in the top 20 on the Barry Crane list (with over 1500 masterpoints) and placed highly in many national events playing with both students and professional partners – 1st place in the 0-10,000 Knockouts in the 2014 Dallas Spring NABC.
